Reimagine our Space		1/18—9/18
Emerge as Epicenter of Service in Our City		5/18*—spring 2019
Expand Pastoral Counseling Outreach in our City		5/18—12/18

### Implementing Our Strategic Plan

If you've read the Strategic Plan document around the church, you've learned about the Four Pillars of the plan that grew out of the work of The Balcony Group over the last year. If you haven't read the document, you may want to pick up a copy on Sunday.

When you do, you'll learn that each of the Four Pillars—Life Together, Welcoming Each Other and Our Neighbors, Serving Our City, and Sustaining Our Future—has been broken down into three initiatives for implementing the plan. We are now in the process of developing action around those 12 initiatives.

On the left, you'll see who is heading up the committees that are developing those actions, how to contact the people chairing those committees, and the timeline for implementation. We encourage you to have conversations with these committee chairs to share your thoughts about these initiatives.
