

SERVE

Mission Around the World

Global Mission Sunday

Help us plan this event in early winter each year, including publicity, meal planning, coordinating Formation hour programs and designating where the offering will go.

Missionary Correspondence & Awareness

Write letters and pray for our missionaries.

Mission Trips

Groups go to our partners in Mexico, Russia, Haiti and Cuba. Some trips are construction-based. Others have a focus of presence or health care. Trips typically last 5-10 days.

The costs associated with mission trips vary based on transportation, accommodations and other factors.

Disaster Response

We witness to the healing power of God's love by serving in local communities adversely affected by catastrophic events.

What Stirs You?

Ministry Teams are the place where we share the gifts God has given us.

If outreach interests you, you can find ways to serve closer to home or around the globe.
