

SERVE

Ministry Teams | Worship & Music

Music

Opportunities for worship, service and education while conveying the word of God to others through music. Musical novices or professionals, from young children through adults, can express and develop their talents by singing, ringing handbells or playing an instrument. Parent helpers are also needed for each of the children's choirs. Visit the Worship & Music page on the website for details about the various choirs.

Singing in the Season

This much-loved musical event during Advent requires the help of many volunteers, in addition to choir members. If being part of a joyful annual event appeals to you, Singing in the Season welcomes your help.

Soundboard Operator

Operate the sound board during worship services.

Ten Cents a Meal

Help collect these donations during services on the fourth Sunday of the month.

Usher

Greet members and visitors, distribute bulletins and seat worshippers for one of the Sunday services. Volunteers serve on a quarterly rotation.

Wednesday Worship

Distribute bulletins before Wednesday Worship, Noon-12:30 p.m., September through May, and/or collect money for the Eat@First lunch following the service.

What Stirs You?

Ministry Teams are the place where we share the gifts God has given us. Many people with a broad range of gifts and interests contribute to our rich worship services on Sundays and during the week.
