

# Inclement Weather Updates

During inclement weather, First Presbyterian Church will post updates about our status in various places on social media, on several television stations, and on our website.

**On our website:** When a decision is made, a red bar with the opening/closing/worship service status will be at the top of the website.

**On television:** Visit Spectrum News, WBTV-Channel 3, WCNC-

Channel 36, or WSOC-Channel 9.

**Social media:** We will post updates at our accounts on Instagram (firstprescharlotte), on Facebook (First Presbyterian Church of Charlotte), and in First Connect.
