Director: Amy Vaughn

We are delighted you have decided to worship with us on Sunday and look forward to your little one joining us in the nursery. We want this to be a place they enjoy coming to and eventually claim as their church home. The nursery is located on the first floor of the Poplar Building. There is an Information Table in the lobby area and check-in at each classroom.

We know that entrusting your child to someone you are just meeting is a big step for parents. When you feel you and your child are ready to try the nursery we have a few steps to help aid everyone in this transition:

- 1) **Completing a Nursery Information Card**– you can print one [HERE](#) or pick one up at the Nursery Information Table. This gives us important details that help us care for your son/daughter and to contact you if needed. Filling this card in means we do not need to gather this information every time you sign in.
- 2) **Bringing a Labeled Diaper Bag**– Even for an hour stay we hope you bring: diapers, sippie cup or bottle, and a change of clothes (just in case). If you do not have a tag there are FPC diaper bag labels available. These helps us quickly identify belongings and contact families if a bag is left behind.
- 3) **Signing In**– If your Information Card is on file with us, all you need to do at check-in is: write your child's name on the clipboard, fill in your cell number, and circle the check-in time. Please be sure to turn your cell phone to vibrate and keep it close by. In the case of an emergency, if we cannot reach you by the cell listed on the clipboard, we will use the emergency number listed on their information card.
